

## **FREIGHT CHANGES**

**as of 1<sup>st</sup> August 2023**

Thank you for your continued custom over the years. It has been our privilege to supply your uniforms and we sincerely appreciate your support.

As you may know, the Covid pandemic has disrupted supply chains globally, resulting in surging costs to procure materials, production labour, and freight.

Worksharp has worked steadfastly with our suppliers since the outbreak began to minimise any pricing impact on our clients. This has enabled us to maintain pre-pandemic pricing during an exceptionally turbulent time.

However, the prolonged economic impact of all these factors and the pressure on the transport industry has now surged to unsustainable levels.

To reliably support our customers and provide our services ongoing, our freight charge options will be changing. A \$8.95 freight delivery charge will now apply to all orders below \$100.

New pricing will come into effect Tuesday 1<sup>st</sup> August. All orders placed between now and Monday 31<sup>st</sup> July inclusive will be processed at the existing freight charge.

We are committed to providing our high standard of service and support. If you have any questions or would like more information, please contact our team on (07) 3390 1152.

Kind regards,  
The Worksharp Team.
